

**Welcome to our preparations
for Apple Day 2015!**

Our apologies that we are so late this year. We have been busy developing exciting new programmes for our core business of Care, which has pushed our events planning back a bit. More news on that coming soon...and we hope to see you in October!

**Please note new hire charges
for 2015**

We've held off putting it up for 10 years now, so it really is time we asked a little more for hire space so we can keep growing.

Thank you for your support
